
LIST OF FIGURES

Figures

Figure 1.1 Major Natural Gas Pipelines Serving the Northwest	2
Figure 1.1. Natural Gas Utility Service Areas in Washington State.....	4
Figure 1.3. Historical Natural Gas Prices in Washington State	6
Figure 1.4. Historical Natural Gas Consumption in Washington State	7
Figure 1.5. Wholesale Natural Gas Prices	11
Figure 1.6. Natural Gas Prices during the Energy Crisis for Residential and Commercial Consumers	12
Figure 1.7. Recent Wholesale Natural Gas Prices in the Northwest	13
Figure 2.1: Petroleum and Natural Gas Reserve to Production Ratios: 1949-2001	17
Figure 2.2: Estimated recovery per gas connection.	18
Figure 2.3: PGC estimates of U.S. total potential gas resource and cumulative gas production.	20
Figure 2.4: Comparison of Natural Gas Resource Assessments-Lower 48.....	21
Figure 2.5: National Petroleum Council estimates of total natural gas resource base.	23
Figure 3.1: Western North American gas producing regions and pipelines	27
Figure 3.2: U.S. monthly imports of Canadian natural gas 1973-2003	28
Figure 3.3: Natural gas production by region, Source CERA and EIA.....	31
Figure 3.4: Gulf of Mexico production 1992-2001	32
Figure 3.5: U.S. natural gas exports 1990-2002	33
Figure 3.6: Lower 48 production versus productive capacity.....	34
Figure 3.7: Number of producing wells in the United States and average productivity.....	35
Figure 4.1: Existing and proposed LNG liquefaction facilities worldwide	42
Figure 4.2: Existing and proposed LNG receiving terminals in North America	42
Figure 5.1: Summary of natural gas supply forecasts for 2010 and 2015	49
Figure 5.2: Reassessment of future lower 48 natural gas production, NPC 2003	50
Figure 5.3: EIA Annual Energy Outlook natural gas supply forecasts.....	51
Figure 5.4: EIA and NPC 2010 and 2015 forecasts for natural gas consumption by sector.	53
Figure 6.1: Weekly U.S. Natural Gas Storage: 1999-2003. Source EIA.....	58
Figure 6.2: Industrial and power generation natural gas flexibility.....	63
Figure 6.3: Natural Gas Futures Market, Source The Wall Street Journal	67
Figure 7.1: Northwest Natural Gas Storage and Supply Map	71
Figure 7.2: Major North American Pipelines	74

Figure 7.3: Major Natural Gas Transportation Routes and Capacity Levels at Selected Locations, U.S.	75
Figure 7.4 Proposed Alaskan Pipeline Routes.....	77
Figure 7.5 Northwest Pipeline Supply and Average Price	80
Figure 7.6 Figure 6 DEGT West System Map.....	88
